ORION SERIES

ALL-IN-ONE SMART DISPLAY

ORION Series
Content Comes to Life with an ORION All-in-One Display

The ORION Series is a cutting-edge LED touchscreen display, meticulously designed with a sleek, modern thin bezel. It offers vibrant, detailed colour reproduction that brings your content to life, making it perfect for various indoor environments such as conference rooms, classrooms, retail stores, exhibition halls, and museums.

Minimalist Design
MODERN AESTHETICS
A dark colour scheme with an 18mm infrared touch frame adds
to the sophisticated design.

Versatile installation
WALL-MOUNT or FLOOR-STAND
setups to suit your space.

Ideal Screen Size
STANDARD SIZES: 108" and 136"
CUSTOMIZATION AVAILABLE
Tailor the dimensions to your needs.

Immersive Visual Experience
MAXIMIZED VISUAL IMPACT
With a 92% screen-to-body ratio.

VIBRANT COLOUR AND CLARITY
16-bit grayscale, a contrast ratio
of 100,000:1 and supports HDR10
to showcase vibrant colours and sharp visuals.

Responsive Touchscreen

speakers.

COMPONENTS TO CREATE AN ALL-IN-ONE ORION SCREEN

The elements that make up the screen allow for easy transport and are composed of an intuitive pre-assembled set of LED module columns, speakers, and the camera, to complete the screen.

⊙ Easy assembly

⊙ The main components of OL screen

The image shows a 136-inch version.
The 108-inch version is one less column of cabinets.

⊙ With a screen-to-body ratio of 92%

THE DISPLAY delivers a powerful visual impact, enhancing the user's viewing experience.

⊙ Dark Screen

THE SCREEN features an overall dark colour scheme and incorporates a modern thin bezel design, with an infrared touch frame width of only 18mm.
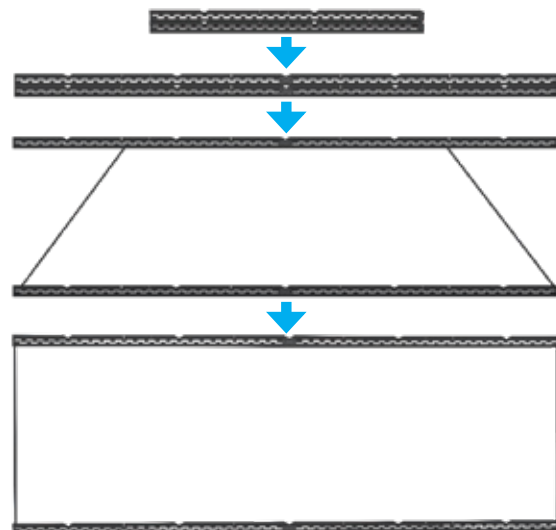

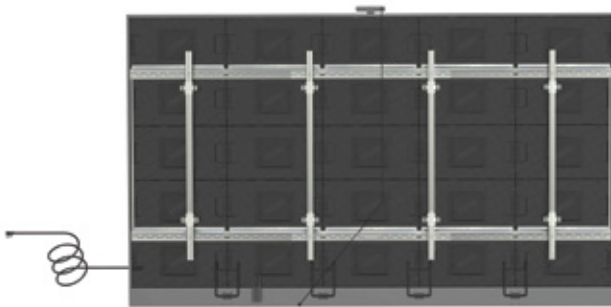

DESIGNED FOR EASY INSTALLATION AND SET-UP

ORION Series displays are designed for quick and easy installation, whether wall-mounted or on a floor stand.

⊘ **Wall-mounted Installation**

FOLDABLE BRACKETS save space during shipping and allow for easy adjustment on uneven walls.

PRE-ASSEMBLED in columns of five cabinets with limit blocks for secure attachment.
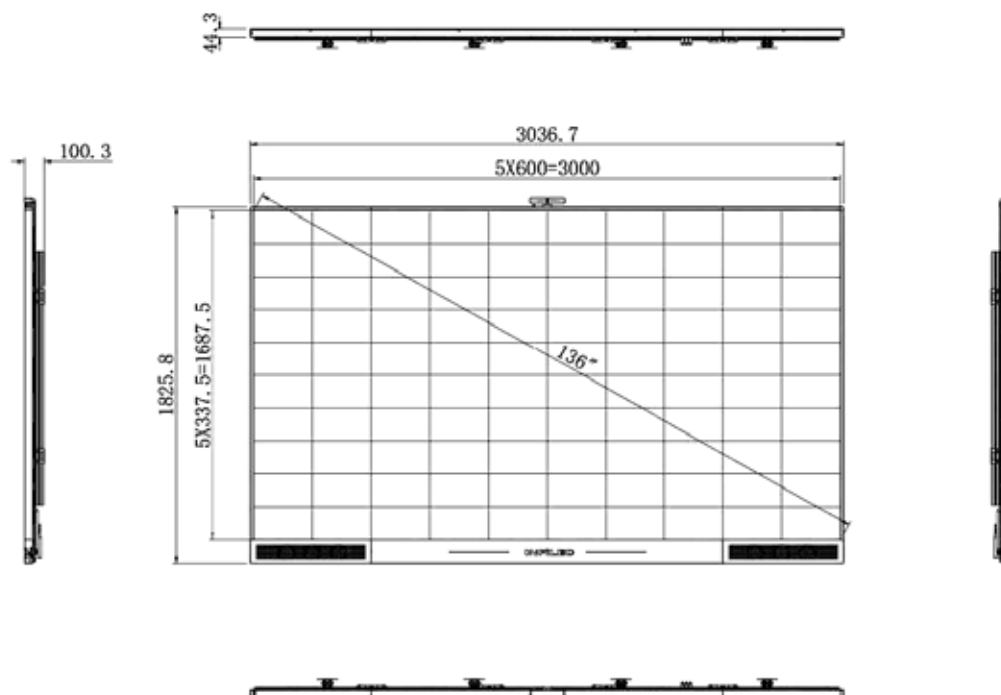

⊘ **Floor Stand Installation**

ADJUSTABLE HEIGHT between 2 to 2.5 metres for optimal viewing.

Wheels to allow effortless screen movement.
*Optional
